

Dear John and Julie,

I am writing to inform you that I have selected your daughter, Indie, as the Rotary Student of the Month. The Rotary program recognizes students who are strong in academics, give back to their community, and represent the values of Beaverton High School. Indie's counselor shared that she stands out as a leader who cares deeply about her community and goes above and beyond to help others. In addition, Indie has a 4.2 GPA and is a scholar athlete and she is clearly making the most of her time here at BHS. I am proud to honor her this month and I know this is one of many accomplishments she will have during her time at Beaverton High School.

Congratulations!

**Andrew Kearl**  
Principal
